GLUTEN-FREE MENU

See our regular menu items marked with "GF" - Many other menu items can be made gluten free with minor adjustments to side items.

SPECIAL NOTES: *Our chips, fries and roasted potatoes are made with gluten-free ingredients; however, they are fried in oil that has been used for wheat-based products. Some cross-contamination may occur! For highly sensitive guests, please let your server know so we can avoid cross-contamination! Special dietary requests may result in longer ticket times.*
