GLUTEN-FREE MENU

See our regular menu items marked with "GF"

Many other menu items can be made gluten free with minor adjustments to ingredients or side choices. For example, our Cajun Seafood & Grits dish can be made gluten free by removing the Fried Okra.

SPECIAL NOTE: Our chips, sweet chili Brussels and roasted potatoes are made with gluten-free ingredients; however, they are fried in oil that has been used with wheat-based products. Our French fries are NOT gluten free! Some cross-contamination will occur! For highly sensitive guests, please let your server know so we can do our best to avoid cross-contamination issues where possible!
